

DIARY NOTES

25X1A

DD/S

9 February 1957

25X1A9a

1. said that the Director had noticed the form which the Department of State used for Memoranda of Conversation and requested that we develop something similar. Upon checking I found that we already had a proposed Regulation in the mill on this subject and so advised Jack. I have also requested that the publication of this proposed issuance be expedited.
